

# DIVERSITY

## Beyond the Checkbox

### Website Video Transcript

**Donald Thompson**

Diversity and inclusion is top of mind for businesses across the spectrum.

But often business leaders don't know how to get started, find it difficult to sustain their efforts, or encounter roadblocks.

**Sharon Delaney McCloud**

We want to give you the tools, training, and techniques to create programming that sticks. Provide you with ways to foster a culture across your organization that empowers your employees to thrive.

**Donald Thompson**

Or gives you the skills to incorporate diversity and inclusion into your professional competencies and grow your career.
